GENOVA OVERVIEW DOORS H 150

Multidecks

The versatility of the GENOVA multidecks is here demonstrated: we present the GENOVA BASSO OVERVIEW both with and without doors, multiplexable in promotional island configuration with headcases. In the whole GENOVA OVERVIEW plug in line, the maintenance of the condenser is facilitated by the front panels that can be removed without using tools. As for all the production of the PASTORFRIGOR group, the decorations can be chosen in the colors most suitable for the furnishings and the environment in which they are exhibited.
