

# TAP A NEW ENERGY CLASS

# PRESIDENT PRIME

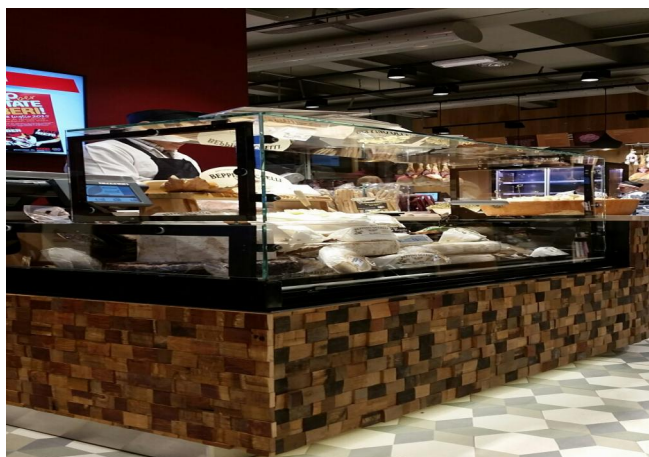

## Counters

Remote refrigerated counter for meat, cold cuts, dairy and deli products. It can quickly turn itself into a self-service unit and vice versa, simply acting on the handle and thanks to pistons. Possible customisation by splitting openings. The perfect counter for such points of sale where sales needs change continuously: from traditional served model to self-service. It can be connected with President product line by means of a fixed partition in tempered double glazing.
