

PERFORMANCE IN MOTION™

 **pastorfrigor**
PERFORMANCE IN MOTION™

ETNA SV

Islands

With the plug-in island ETNA range, Pastorfrigor's catalogue is implemented with another valid element that with simplicity, minimum space required and large exhibition area, allows a complete view of the products. The module consists of two display decks which are divided by a transparent intermediate separator, which leaves field of view on both sides. Available in semivertical version BMM with shelves and without Available with built-in unit R290: 1250mm , 1875 mm and headcase
